This is just for context/information. I think CPB is not getting pulled into any of this right now.

Perfect timing from Mark.

This is the CCS/Omnibus background info that Paul mentioned during the CCD mgmt team meeting. Paul wants to discuss CCD staffing for various CCS tasks that are called out in the Omnibus., before he meets with Chris and Reid.

Hi all,

Thanks so much for a productive first meeting. I'm attaching the slide deck for your reference.

As we discussed, please do send draft outlines and inventories for your agency's section of the report by next week, if possible. I've circulated a calendar invite for a 30 minute call next Wednesday. If there are folks from other relevant agencies who ought to be included in future meetings, please send their contact information to me and I will invite them to join.

In the interim, I'll develop a proposed plan for stakeholder engagement and share next week.

Gratefully,
Jane
